Dear Robert,

We regret that the communication you recently received from the Macomb County Republican Party created concern and a perception that was not intended.

The email was meant to clear up the possibility of confusion that potential members of the Macomb County Republican Party and the Republican Committee of Northern Macomb County are experiencing as they are paying membership dues and signing up for events. Our objective was to avoid further confusion. The email's purpose was not to suggest wrong doing; in fact, it was clearly found that was not the case.

In addition, our recent email misrepresented the Republican Committee of Northern Macomb County. It is an Independent Political Action Committee (PAC) and as such is registered with the State of Michigan. The organization is regulated by and accountable to the State of Michigan.

The Macomb County Republican Party looks forward to a good working relationship with the Republican Committee of Northern Macomb County to ensure the election of Republican candidates in Macomb County.
